extinguisher system**

**599_24 0159 00_014772EXL_EST_4LT_ACCIAIO
INOX ELET SP 425**

This electrically operated Multi-Flo extinguisher system is designed specifically for saloon race and rally closed cockpit cars where weight saving is not an issue. The 4.25 Litres capacity foam based extinguishant is dispensed evenly to both the engine bay and cockpit via 7 specially designed nozzles to give fast knock down and fire out times.

The kit supplied offers all parts needed to fit and operate.

Kit Includes:

- CE certified bottle in stainless steel (tested at over 40 Bar)
- AFFF foam extinguisher
- Mounting Bracket & Straps
- 1 x Power Pack
- 2 x Plug & Cable Assembly
- 1 x Cockpit Switch
- 1 x Waterproof External Switch
- 7 x solid block-machined nozzles
- Tubing
- T Connectors
- Decals
